Meet

Your friend wasn't able to make it to church this week. He/She has asked you to summarize the message for him/her. What would you say?

Grow

Which verses were shared during the message?

Were these verses new to you, or have you studied them before?

What did you find challenging or new in these verses when you applied them to your life?

Serve

What was the one thing—the golden nugget—from the message that challenged you, changed you, caused you to really think about things, and/or made you want to take action right away?

What difference has it made, or do you think it will make, in your life and your relationship with God and others?

Calvary Road

When given the opportunity to follow Jesus the first time, how did you feel? What was going on in your head and heart?

What did you learn new about Lent or Holy Week from this sermon?

Here is a list of passages having to do with Lent/Holy Week: Matthew 21-27; Mark 11-15; Luke 22-23; and John 12-19. Choose one of the passages and read it. What did you learn about Lent/Holy Week?

Reflecting on the message, what was one thing from the message that challenged you, changed you, caused you to think about things, and/or made you want to take action right away? What difference has it made, or do you think it will make, in your life and your relationship with God and others?

Did you make any changes in your life during Lent this year? What were they? How did those changes affect you?

Can you explain the relationship between Mardi Gras and Easter?

Have you ever felt betrayed or alone? When? Have you ever carried the weight of guilt for something you did not do? When? How did Jesus respond when he was left alone, betrayed, and punished for a crime he did not commit? During the Holy week story, would you call Jesus a 'victim' why or why not?

How does the Cross bring together all of human history? How does the Cross affect your current life? How does the Cross affect your future?
